

Not Sure Which One to Pick?

Tokoteknologi Learn has **3 ways to learn** — each designed for different needs. Get to know the differences here, so you can pick the learning solution that truly fits you, not just whichever one you see first.

C

Course

MASTER ONE SKILL COMPLETELY

Video lessons + quizzes + an official certificate for one specific topic. Buy once, access forever.

BEST IF

- You already know the specific skill you want to master
- You want an official, verifiable certificate
- You want lifetime access you can revisit anytime

HOW IT WORKS

- Pick a course, the price is clear upfront
- Checkout, get instant access to videos/quizzes/live classes
- Finish 100% of the material, the certificate is issued automatically

B

Course Bundle

SAVINGS BUNDLE, SUBSCRIPTION

Several courses at once in one bundle, cheaper than buying individually — but access HAS an expiry period.

BEST IF

- You want to learn several related topics at once
- You have a limited budget compared to buying courses individually
- You don't mind access having an expiry period

HOW IT WORKS

- Pick a bundle package, see all the courses included
- Checkout the bundle price, get instant access to ALL courses
- Access stays active until it expires (can be repurchased)

E

Ebook

READ FLEXIBLY, ANYTIME

Written material in PDF — read at your own pace, no need to watch videos.

BEST IF

- You prefer learning from reading over video
- You want a reference you can re-read offline
- You're looking for more concise & affordable material

HOW IT WORKS

- Pick an ebook, check the preview before buying
- Buy it (or download instantly if it's free)
- The PDF file is yours forever, read it anytime
